

ZONTA UPDATE

Zonta Club of St. Louis

Oct. 8th - Valeda's Hope - Walk To Winn - Increasing Breast Cancer Awareness

Fun was had by all as we exercised and learned about breast cancer. Stacy and Laura attended with Maryville's EMPOWER/Golden Z Club The girls are really interested in what Zonta is doing in the St. Louis area. I'm sure we will be including them in other events!

Board Meeting Updates:

- Kay Moss agreed to fill the VP role as she is already helping out in that capacity:) Thanks Kay!!
- The Christmas Get-Together Committee has narrowed down the choices on venues and has another idea to pitch at the October Membership Meeting. Thanks to those that answered the survey:)
- We are a little behind on funds from Charity Clothing Pick-up. The budget is tight and unbalanced at present.
- Those wishing to attend Gateway Human Trafficking's November event may purchase a ticket online. The board declined to purchase a table this year. Shima is also looking for baskets to auction off if you are interested in putting together a basket:)
- The Literacy committee has identified a charity to receive this year's funds - Amy's Story - A Literacy Foundation. The board declined to increase funding over budget.
- Zonta District 7 is looking for someone interested in joining a district committee investigating the viability of opening some new clubs. If interested - *see addendum and contact Linda White if interested.*
- Stacy Donovan presented the idea of a joint clothing drive supporting Women in Leadership at Maryville and our club - they want to use some of the proceeds to purchase t-shirts. Stacy will check with Maryville to see if this can happen.
- The Zonta Club of Mascoutah, Il, is having a Luncheon and Fashion Show. Linda White, Kay Moss and Laura Burton are planning on attending. If you would like to carpool please contact Kay or Linda.
- We are looking for some ideas for 16 Days of Activism celebrated at the end of November. Norma brought up addressing child marriage.

This is the email I received about the committee to grow District 7. I am unable to participate at this time. I'm sharing with you in case anyone is interested in helping.

Dear Linda,

Jane Austin and Gayle Borchert would like to invite you to become a member of the Club Creator Committee for District 7. Please consider being on this important committee with us to help us grow our district through new clubs. Gayle and Jane have identified the Sioux Falls, Lincoln and Des Moines areas as the most promising areas for new clubs in District 7.

We plan on having a zoom meeting the first week of October to discuss the three areas, start formulating a list of contacts, and to propose and develop an action plan/reporting framework.

We will each be following up with you via phone and will get you the information for the October meeting. We are trying to do our part to improve membership in Zonta and D7, and your knowledge of Zonta and the district will be valuable in helping us find the right place and right people for a new club.

Sincerely,
Jane Austin
Gayle Borchert
